About the Energy Exports Conference

The Energy Industries Council (EIC), along with the organising partners, are delighted to bring together the international energy industry through this FREE to attend flagship event, returning to P&J Live, Aberdeen on the 3rd and 4th June 2025.

Global energy experts will present over two days, highlighting real project opportunities that encompass a wide spectrum of sectors and technologies. Alongside the busy conference agenda, EEC hosts an interactive exhibition, one-to-one procurement meeting programme, and a series of high-level networking opportunities.

Join us at EEC 2025 and find out how your business could benefit as we build international connections and explore key projects.

With a growing global emphasis on cleaner energy sources and sustainability, there's never been a better time for the UK to export and promote their products, services, solutions and technologies.
